Oando Energy Resources to Participate at the 24th Africa Oil Week (2017) Conference & Exhibition

OER is set to participate at the 2017 Africa Oil Week Conference & Exhibition from October 23 – 27 in Cape Town, South Africa. Mr. Pade Durotoye, CEO, Oando Energy Resources will give a presentation on the "Future of Deep-Water Exploration in Africa". Africa Oil Week provides the most trusted platform worldwide; which brings together governments, national oil companies, corporate players, independents and financiers with support from service and supply operators with the common goal of shaping Africa's oil, gas and energy future.

Oando Energy Resources will be attending the event as Rhodium sponsors; in this capacity we will be showcasing our business and engaging delegates via an exhibition stand, networking lounge and branded marketing collateral. The summit presents the company with a unique opportunity for first-class networking and social interface with a globally-diversified mix of senior-level government and corporate delegates that will shape the future for oil and gas in Africa.
